COMP314B 2007
Personal record of work on project
(please fill in both pages).
Name:
Group:

This is to be returned independently to the lecturers prior to or at the time of the project demonstrations on Tuesday October 16th.

Outline what your contributions were to the project.

Please rank and assess the contributions of all members of your group in order from most contribution to least:

	Name	**Contribution**
		(excellent, good, average, unsatisfactory, non-existent, detrimental)

1.

2.

3.

4.

5.

6.

Note the things that were most interesting to you in doing the project or which you learnt most from.

Note any things that you did not understand or which you found difficult.

Note any changes that you think should be made to the course for next year.
