Page 18: The URL associated with this book (mentioned on line 24) is incorrect. The correct URL is <http://www.cs.waikato.ac.nz/~marku/mbt>. However, the incorrect URL is now redirected to the correct page.

Page 70: In Figure 3.3, the d on the transition from C to B should be α .

Page 77: On line 17, the collection returned by `drink.size()` is actually a Sequence, not a Bag, because the `drink` association is ordered.

Page 114-115: In Figure 4.1 and in the list at the top of page 115, ‘Decision/Condition Coverage’ should be ‘Condition/Decision Coverage’ and ‘D/CC’ should be ‘C/DC’, for consistency with the rest of the book and with standard testing terminology.
