

# CHINZ 2015

## 15th New Zealand Conference on Human-Computer Interaction

3—4 September 2015

The University of Waikato — Hamilton, New Zealand

[www.cs.waikato.ac.nz/chinz2015](http://www.cs.waikato.ac.nz/chinz2015)

## CALL FOR PAPERS

The 15th New Zealand Conference on Human-Computer Interaction will provide a forum for researchers and practitioners involved with Human Computer Interaction in New Zealand or other parts of the world. It aims to bring together people interested in any aspect of HCI and Interaction Design, to allow them to share their experiences, exchange their ideas, learn from one another, and promote collaboration in research and development. We strongly encourage submissions by academics and practitioners involved in design with implications for user experience.

### Important dates

14 June 2015	all submissions due
7 July 2015	response to authors
21 July 2015	final submissions due

### Submissions

We welcome full length research papers and short papers (e.g. work-in-progress, case-studies, industrial perspectives, and system demonstrations) in all relevant areas of HCI, Interaction Design and User Experience. In particular, we strongly encourage submissions by graduate students. Submissions should report original work, and will be peer reviewed. Accepted papers will be presented at the conference, published in the conference proceedings, and the ACM Digital Library.

- Full papers should be no more than 8 pages in length,
- Short papers should be between 2 and 4 pages.

Details of the required format and submission process are available on the conference website.

### Graduate student support

The New Zealand Chapter of the ACM Special Interest Group on Computer-Human Interaction (ACM SIGCHI\_NZ) aims to increase the participation of graduate students from in CHINZ conferences. To encourage this, the top 5 papers co-authored and presented by a graduate student will have their conference registration fees paid by ACM SIGCHI\_NZ. One of these students will also receive the *Best Student Paper Award*, with an additional cash prize of NZ\$300.
